

REMARKS

Claims 2-4 are now pending in the application. Claim 1 has been canceled. The Examiner is respectfully requested to reconsider and withdraw the rejection in view of the amendments and remarks contained herein.

DRAWINGS

The drawings stand objected to for certain informalities. Applicant has attached revised drawings for the Examiner's approval. More specifically, FIGs. 4 and 5 have been designated as prior art according to the Examiner's suggestions.

SPECIFICATION

The specification stands objected to for certain informalities. Applicant has amended the specification according to the Examiner's suggestions. More specifically, Applicant has amended the title so that it is more descriptive. Therefore, reconsideration and withdrawal of this objection are respectfully requested.

ALLOWABLE SUBJECT MATTER

The Examiner states that Claim 4 would be allowable if rewritten in independent form. Accordingly, Applicant has amended Claim 4 to include the limitations of the base claim and any intervening claims. Claims 2 and 3 now depend directly from Claim 4. Therefore, Claims 2-4 should now be in condition for allowance.

CONCLUSION

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
